

# Have You Got Yours

If you have't you had better be after what is due you. Merchandise is moving rapidly. When we advertise \$18,000.00 of nice, new goods at wholesale prices, we knew that the people would believe The Big Clothing Store was advertising the truth and not faking with a few discarded lines of merchandise that would be more appropriate in the hands of a junk dealer than in the store of a respectable merchant.

Hundreds of dollars worth of merchandise has gone out since we announced our sale. People come, they see, they buy and you will do the very same thing if you come and see the hundreds of nice suits ready for your inspection. An endless profusion of elegant furnishing goods. Hats in every variety and color at all prices. Plenty of good experienced clerks and more to be put on to show you and price goods to you. Not another dollars worth of goods will be put in until September 1st. We have now about completed the purchase of our Fall stock and a thing of beauty that will be a joy forever will certainly greet you at that time. Don't believe for one moment that we are going out of business as we find it both a pleasure and profitable to sell you goods just as good as your money or your money back.

We want every friend and customer to come early and supply yourself in this sale as you are the people that we want to get the best of everything. Don't delay, keep coming.

**WM. A. SULLIVAN, Cash Clothier.**

P. S.—Any article of merchandise found to be defective please bring it back and get your money. Goods must be better than your money or your money back.
